

Commercial Garage Doors

Custom Door Sales, Inc. has been in business since

We strive each and every day to meet the specific needs of each and every customer we deal with. From basic service and adjustments to custom built garage doors and openers we have been servicing the Twin Cities and surrounding areas for over 50 years. Our history of loyal relationships with customers and our 50 employees have helped us grow into an industry leader, and motivates all of us to continue our tradition of exceptional products and service.

Professional garage door specialists. We are the best in the industry. Custom Door Sales Inc. has been serving customers in the twin cities of Minneapolis and St. Paul for more than 65 years. Not only do we supply hundreds of garage doors, accessories, and parts, we also specialize in garage door installation and garage door repair work for residential and commercial customers.

Affordable and durable commercial garage doors.

Custom Door Sales services the Twin City Metro area and offers durable but affordable commercial garage doors. Contact Custom Door Sales to learn more about the options for commercial garage doors and for all of your service, repair and installation needs.

The highest quality of garage doors on the market today.

At Custom Door Sales, all of our doors have commercial grade hinges, nylon rollers with ball bearings, and 15,000 cycle torsion springs.

Installing your garage door for you.

When it comes to installation and service, we take pride in the fact that our field personnel are employees, not subcontractors.

Our promise to you.

We have set the standard in our market for years, and will continue to do so, because our customers deserve it. We encourage you to shop around, but remember, cheaper is not always better. Some of our competitors will incorporate a lower grade of hardware and springs, in order to keep their prices low.
